

A blank coordinate grid with x and y axes. The x-axis is horizontal and labeled with numbers 1 through 19. The y-axis is vertical and labeled with numbers 1 through 27. The grid lines are thin and light gray. The origin (0,0) is at the bottom-left corner. The first row of the grid (y=1) contains the text 'first text, label left' at the start of the row. The second row (y=2) contains the text 'second text, label left left left' at the start of the row. The third row (y=3) contains the text 'text label left left left' at the start of the row. The rest of the grid is empty.
